

# Do you want to strengthen authentic youth voice in your organization or youth-serving system, but aren't sure where to start?

*Or maybe you've already begun the work and need support to take it further.*

Wherever you are on the journey, Youth MOVE National is here to help you get there. Whether it's a one-time project or a long-term culture shift, we partner with you to co-create customized consulting packages, provide hands-on coaching, and develop training experiences that center youth as leaders – not just participants.

**Let's build together: because when youth are truly at the table, the impact is deeper, more equitable, and built to last.**

Some example topics include, but are not limited to:

Youth Peer Support,  
Youth Engagement,  
Data & Evaluation,  
Strategic Planning & Sustainability,  
Strategic Storytelling,  
Youth Program and Chapter Start-up,  
Assessing Youth Voice at the Agency or Community Level,  
Systems of Care,  
***and much, much more.***
